

NEWSLETTER

LAKELAND MYCOLOGY CLUB (LMC)
a NAMA affiliated society

VOLUME IV-1

Editor: ed bosman

DEPARTING NOTE: I have informed the Recording Secretary that due to my pending job transfer to Connecticut, I must resign as president. Likewise, my wife Joan has also tendered her resignation as Corresponding Secretary. We have requested that our resignation become effective the 10th of January.

We have both enjoyed serving the Club and it is with a sense of regret and sadness that we must leave the offices to which we were entrusted; however, we have complete confidence that the other Club officers will assume our responsibilities and that our absence will go essentially unnoticed as far as the administration of the Club is concerned.

I have also asked to be relieved of my responsibilities as editor of the Newsletter because of the many matters that I will have to attend to during the next few months prior to moving to Connecticut.

An announcement will be made sometime after the 10th concerning the change in administration and the Newsletter.

xxxxxxxxxxxxxxxxxxxxxx. JANUARY MEETING: The January meeting will be held at the Bosmans' home(24 Plaza Rd) in Flanders on Sunday January 20th at 2:00pm. If you plan on attending, remember to fill your tanks with gas on Saturday and bring a pillow to sit on. There will be a discussion and slices will be shown.

The Executive Committee will meet an hour prior to the regular meeting to discuss the change in administration.

DIRECTIONS...to 24 Plaza Rd., Flanders...heading south on Rt.206, take your first left after the A&P Shopping Center(Sutton Park), and then almost immediately take your first right. The second house is 24 Plaza Rd.

xxxxxxxxxxxxxxxxxxxxxx. CLUB BROCHURE: The Club Brochure, which has been in the works for many months, is finally off the press and is available from the Membership Secretary. The brochure describes the Club and its activities, and it is the culmination of the combined efforts of Neal Macdonald and Hiram Korn. It is beautifully done.

xxxxxxxxxxxxxxxxxxxxxx. NEW MEMBERS: Our Club continues to draw members from all parts of North Jersey. I would like to welcome into the Club the following new members: John Sudul of East Rutherford, Joseph Vnenchak of River Edge, and Joseph Ryner of Clifton. We all look forward to meeting you and we hope that you will be able to attend some of our meetings and field trips this year.

xxxxxxxxxxxxxxxxxxxxxx. 1974 PLANNING: In the coming months ahead, the Club officers and the membership will be making many plans and decisions to prepare for the 1974 Season. Some of the topics on the agenda are: election of officers, reaffiliation with NAMA, 1974 dues, and the foray schedule.

xxxxxxxxxxxxxxxxxxxxxx. EDITORIAL: In closing, I would like to wish the Club and all its members much success and happiness for 1974 and the years ahead. I know that the Club will continue to flourish and guide its members in the fascinating world of mushrooms. I will miss all of you, but I will not forget you. If possible I will try to join with you in some of your future activities.

Good Luck and Good Mushrooming, Ed Bosman
